

We Need Your Help!

Planned Giving/Endowment fund

Because of generous people like you, we are able to save the lives of countless animals, provide humane education, and serve as a community resource for pets and their families. You can be an integral part of our ongoing commitment to the humane welfare of animals by including a charitable gift in your overall estate and financial plans.

Here are some ways you can help:

- Naming us as a beneficiary in a will or living trust
- Making a gift of cash or appreciated securities to establish a charitable gift annuity
- Naming us as the beneficiary of a life insurance policy or retirement account
- Creating a charitable remainder trust

The Humane Society of the Black Hills has established an endowment fund through the Black Hills Area Community Foundation (BHACF), which holds

Caring for the Lost, Homeless, and Forgotten

endowment funds for 25 agencies in the Black Hills area, as well as donor-advised funds and scholarship funds. Through its tax-exempt charitable status, it enables people with philanthropic interests to easily and effectively support the issues they care about, as well as the programs that improve the quality of life in the Black Hills.

If you are interested in making a donation to the HSBH Endowment Fund or learning more about the BHACF, please contact HSBH's executive director, Jacque Harvey, or BHACF's executive director, Liz Hamberg.

Memorial Gifts

There are many ways to honor someone, and an engraved brick is a distinguished way to celebrate a special occasion or mark the passing of a loved one. The personalized bricks that border the public walkway around the HSBH shelter entrance provide a wonderful opportunity for our community members to honor their family members, friends, and animal companions. Memorial bricks are available for \$100 each, and are a tax-deductible donation.
